Lawrence School's One-To-One Tablet Computer Program for High School Students

Purchase Agreement for New Tablet Computer

We will accept both check and credit card payments for tablet payments. However, there will be a surcharge for all credit card orders of 2.5% of the charge amount. This would amount to **\$52.54** for a tablet computer. *There is no surcharge for paying by check.*

Students will be individually responsible for the safety of the tablet while in use at Lawrence School. Lawrence School is not responsible for lost or stolen tablet computers. Parents are encouraged to inquire if the tablet will be covered under their existing home insurance policy. Parents may also select to purchase a subscription for **LoJack for Laptops** from **CompuTrace** if loss/stolen tablets are a big concern. Please contact the Director of Technology for additional information or go to <http://www.absolute.com/en/lojackforlaptops/home.aspx>.

Tablet computers will not be delivered to students until the student successfully completes Tablet Training through the Learning Strategies curriculum that is required for all 9th graders and/or scheduled individually for 10th-11th grade students.

Parent understands that Lawrence School will rely on the commitment contained in this agreement form, and will immediately purchase a Lenovo tablet computer for the student(s) named above. Parent agrees to adhere to Lawrence School's acceptable use policies, which will be published and updated from time to time. Parent understands that Lawrence School cannot guarantee the availability of tablet computers for students for whom this form and the nonrefundable deposit are not received in the Lawrence School Business Office on or before Friday, June 3, 2011. Parent further understands that in all cases, while Lawrence School will make reasonable efforts to assure delivery of tablet computers prior to the start of the school in August 2011, such delivery is subject to availability from the manufacturer and reseller.
