LEGO CLUB

BRICKS 4 KIDZ programs provide an extraordinary atmosphere for students to build unique creations, play games, and have loads of fun using LEGO® bricks. The activities are designed to trigger children’s lively imaginations and build their self-confidence.

The program is accredited by S.T.E.M. (Science, Technology, Engineering, and Mathematics) which gives a purpose to the students’ play. Each session will begin with a short 10-minute lesson on what the students will be building that day and how that build corresponds to the overall theme of the session. After the lesson is complete, the students will pair up and complete the build. If the build is complete and time allows, the students will have the opportunity to make their own creation at our creative play station.

WEDNESDAY 3:15 p.m. - 4:15 p.m.

March 7 – April 18
(No club March 28– Spring Break)
Grades 1 - 6
Location: The Lower School
1551 E. Wallings Road Broadview Heights, OH 44147

$88 for a 6-week session

Students will take home a custom mini-figure at the end of the 6 weeks

Space is limited

Register online through (My Lawrence)
Lawrenceschool.org

Lawrence staff will accompany the Bricks4Kidz instructor to allow for a continuity of services. Since Bricks4Kidz uses Lego® supplies in classes throughout the year, students do not take home Lego® projects or pieces.

Theme: Jurassic Brick Land

Are you ready for the adventure of a lifetime? Put on your hiking boots and camouflage...you’re about to enter Jurassic Brick Land! Students will build a world that comes to life with gentle Brontosaurus, ferocious Velociraptor, terrifying T. Rex, and more. We’ll learn about amazing dinosaurs that lived during the Jurassic period, and other extinct, prehistoric animals that roamed the earth and swam the seas during that era and millions of years later. Show us your building skills using our specialized project kits! Come learn, build and play at Jurassic Brick Land class!
